 - All the pages of the proposal and enclosures/attachments are to be signed.

Bid not complying with any of the above requirement, will be out rightly rejected.

- **Technical Evaluation (2nd Stage): Total 100 Marks (70% is the qualifying mark):** Technical proposal will be opened and evaluated for those bidders who qualify the preliminary evaluation stage. Technical evaluation of the proposals of the qualified bidders shall be made as per the following technical parameters:

Sl. No.	Bid Evaluation Parameter	Scoring Methodology	Maximum Mark
1	Experience of the bidder: Experience in Third Party * Mobile GIS/Geospatial Applications Development /MIS Development of projects under Central / State Government / EAPs / Autonomous Bodies / National & International organization with contract value of more than Rs 15 Lakh and duration of 2 months or more (Assignments undertaken during 1st January 2014 to 1st January 2019).	5 projects = 20 marks 6 projects = 24marks 7 projects = 28marks 8 projects = 32marks 9 projects = 36marks 10 & above = 40marks	40
2.	Team Members		35
2.1	Lead Researcher-cum-Team Leader (1)	For every 1 year of additional experience 2 marks will be given subject to a maximum of 12 marks.	20
2.2	Key Team Members (3)	Three key team member's qualification and experience will be evaluated. 5 mark for each member	15
3	Technical Presentation	The assignment and methodology for completion of the Assignment	25
Grand Total			100

Bidders have to prepare a presentation as a part of the technical proposal (2nd stage). The objective of the presentation is to enable the Client to evaluate the bidders about their understanding and preparedness for the proposed assignment. The bidder whose technical proposal secures **a score above minimum qualifying mark of 70** in the technical evaluation stage will be qualified for opening of the financial proposal. The financial proposals of the technically qualified bidders will be opened on the date and time mentioned in the Bidder's Data Sheet.

- **Financial Evaluation (3rd Stage):** The financial proposals of the technically qualified bidders only shall be opened at this stage in the presence of the bidder's representative who wishes to attend the meeting with proper authorization letter. The name of the bidder along with the quoted financial price will be announced during the meeting.

12. Evaluation Process:

Combined Quality and Cost Based Selection (CQCBS) method will be followed during the overall selection process. Based on the evaluation of technical proposal, the technically qualified bidders shall be ranked highest to lowest Technical Score (**ST**) in accordance to the marks obtained during the technical evaluation stage. There shall be **60%** weight-age to technical score and **40%** weight-age to financial score.

The individual bidder's financial score (**SF**) will be evaluated as per the formula given below:

$$SF = [F_{min} / F_b] * 100 \text{ (rounded off to 2 decimal places)}$$

Where;

SF= Normalized financial score of the bidder under consideration

F_{min}= Lowest financial quote among the technically qualified bidders

F_b= Financial quote of the bidder under consideration

$$\text{Combined Score (S)} = ST * 0.6 + SF * 0.4$$

Where ST = Technical score secured by the bidder

SF = Financial score secured by the bidder

The bidder securing the highest evaluated **Combined Score (S)** will be awarded the contract observing due procedure. For the purpose of evaluation, the total evaluated cost shall be inclusive of all taxes & duties for which the Client will make payment to the Agency including overhead expenses, such as travel, accommodation, logistics, training/ workshop, preparation of reports/ formats, printing & other secretarial expenses etc.

Combined Score of the bidders for the bid shall be worked out as under:

Bidder	Technical Score (ST)	Financial Score (SF)	Weighted Technical Score (60% of ST)	Weighted Financial Score (40% of SF)	Combined Score (F=D+E)
A	B	C	D	E	F

13. Taxes:

Income Tax and GST (TDS) will be deducted from the contract value as per the statute.

14. Performance Bank Guarantee:(PBG)

Within 15 days of notifying the acceptance of proposal for the award of contract, the qualified bidder shall have to furnish a Performance Bank Guarantee amounting to **10% of the contract value** from a scheduled commercial bank situated in Bhubaneswar in favor of **“PROJECT DIRECTOR, OFSDP PHASE-II”**, as per the format at **Annexure-II**, for a period of one year beyond the entire contract period (i.e. PBG must be valid from the date of effectiveness of the contract to a **period of 3 months beyond the contract period**) as its commitment to perform services under the contract. Failure to comply with the requirements shall constitute sufficient grounds for the forfeiture of the PBG. The PBG shall be released immediately after three months of expiry of contract provided there is no breach of contract on the part of the qualified bidder. No interest shall be paid on the PBG.

15. Contract Negotiation:

Contract Negotiation will be held at a date, time and address as intimated to the successful bidder. The bidder will, as a pre-requisite for attendance at the negotiations, confirm availability of all the proposed staff for the assignment. Representative conducting negotiations on behalf of the bidder must have written authority to negotiate and conclude a contract. Negotiation will be performed covering technical and financial aspects, if any and availability of proposed professionals etc.

16. Award of Contract:

After completion of the contract negotiation stage, the Client will notify the successful bidder in writing by issuing an offer letter for signing the contract and promptly notify all other bidders about the result of the selection process. The successful bidders will be asked to sign the contract after fulfilling all formalities within 15 days of issuance of the offer letter. After signing of the contract, no variation or modification of the terms of the contract shall be made except by written amendment signed by both the parties. ***Sub-contracting / outsourcing of any form shall not be allowed for any activities under the scope of the work as mentioned in this RFP.***

17. Conflict of Interest:

Conflict of interest exists in the event of: (i) Consultants, agencies or institutions (individuals or organizations) who have a business or family relation with the Client directly or indirectly; and (ii) practices prohibited under the anti-corruption policy of the Government of India and Government of Odisha. The bidders are to be careful so as not to give rise to a situation where there will be any conflict of interest with the Client as this would amount to their disqualification and breach of contract.

18. Disclosure:

- a. Bidders have an obligation to disclose any actual or potential conflict of interest. Failure to do so may lead to disqualification of the bidder or termination of its contract.
- b. Bidders must disclose if they are or have been the subject of any proceedings (such as blacklisting) or other arrangements relating to bankruptcy, insolvency or the financial standing of the Bidder, including but not limited to appointment of any officer such as a receiver in relation to the Bidder's personal or business matters or an arrangement with creditors, or of any other similar proceedings.
- c. Bidders must disclose if they have been convicted of, or are the subject of any proceedings relating to:
 - a criminal offence or other serious offence punishable under the law of the land, or where they have been found by any regulator or professional body to have committed professional misconduct;
 - corruption including the offer or receipt of an inducement of any kind in relation to obtaining any contract;
 - Failure to fulfill any obligations in any jurisdiction relating to the payment of taxes or social security contributions.

19. Anti-corruption Measure:

- a. Any effort by Bidder(s) to influence the Client in the evaluation and ranking of financial proposals, and recommendation for award of contract, will result in the rejection of the proposal.
- b. A recommendation for award of Contract shall be rejected if it is determined that the recommended bidder has directly, or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the contract in question. In such cases, the Client shall blacklist the bidder either indefinitely or for a stated period of time, disqualifying it from participating in any related bidding process.

20. Language of Proposals:

The proposal and all related correspondence exchanged between the bidder and the Client shall be written in the **English** language. Supporting documents and printed literature that are part of the proposal may be in another language provided they are accompanied by an accurate translation of the relevant passages in English with self-certification for accuracy, in which case, for the purposes of interpretation of the Proposal, the translated version shall govern.

21. Cost of Bidding:

The Bidder shall bear all costs associated with the preparation and submission of its proposal. The Client shall not be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process. Bidder/s is not allowed to submit more than one proposal under the selection process. Alternate bids are also not allowed.

22. Legal Jurisdiction:

All legal disputes are subject to the jurisdiction of the Orissa High Court, Cuttack.

23. Governing Law and Penalty Clause:

The schedule given for delivery is to be strictly adhered to in view of the strict time schedule. Any unjustified and unacceptable delay in delivery shall render the Agency liable for liquidated damages and thereafter the Client holds the option for cancellation of the contract for pending activities and completes the same from any other agency at the cost of the agency. The rights and obligations of the Client and the Agency under this contract will be governed by the prevailing laws of Government of India and Government of Odisha. Failure on Agency's part to furnish the deliverables as per the agreed timeline will enforce a penalty @ **1% per week subject to maximum of 10% of the total contract value**. In case delay in the delivery of services is found not attributed to the Agency, the penalty may be waived.

24. Confidentiality:

Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the proposals or to other persons not officially concerned with the process, until the publication of the award of contract. The undue use by any bidder of confidential information related to the process may result in rejection of its proposal and may be subject to the provisions of the Client's antifraud and corruption policy. During the execution of the assignment except with prior written consent of the Client, the bidder or its personnel shall not at any time communicate to any person or entity any confidential information acquired in the course of the contract.

25. Amendment of the RFP Document:

At any time before submission of proposals, the Client may amend the RFP by issuing an addendum through OFSDP-II website. Any such addendum will be binding on all the bidders. To give bidders reasonable time in which to take an addendum into account in preparing their proposals, the Client may, at its discretion, extend the deadline for the submission of the proposals.

26. Client's right to accept any proposal, and to reject any or all proposal/s

The Client reserves the right to accept or reject any proposal, and to annul or amend the bidding / selection / evaluation process and reject all proposals at any time prior to award of contract award, without assigning any reason thereof and thereby incurring any liability to the bidders.

27. Copyright, Patents and Other Proprietary Rights:

Forest and Environment Department, Government of Odisha shall be entitled to all intellectual property and other proprietary rights including but not limited to patents, copyrights and trademarks, with regard to documents and other materials which bear a direct relation to or are prepared or collected in consequence or in the course of the execution of this contract. Terms of Reference (TOR)

1. Introduction:

1.1 Odisha State is endowed with a rich treasure trove of biodiversity in its forest. The conservation of biodiversity is of paramount importance to the forest management of the State. Therefore, Odisha Forest Department has formulated a project primarily focusing its attention on conservation of vital biodiversity both inside the Protected Area as well as in other Reserved Forests. In order to support the main goal of sustainable biodiversity management and sustainable forest management, the project also envisages large scale community development in order to increase the livelihood around the forest area. Training, Education, Research and Extension activities have also been designed to develop the institutional capacity development which will enhance the quality of biodiversity conservation efforts and ecosystem management. This project also ensures ecologically sustainable development initiatives by promoting community participation in eco development and tribal development.

1.2 Data Collection, Analysis, Tracking and Dissemination of the information in the State under OFSDP II will therefore be essential. A key element is the development of an Android based mobile data collection and analysis system in order to support the existing MIS system.

1.3 The purpose of Android and iOS based mobile application is to smoothen the system to increase the competency of the employee and Incorporating OGC standards, uniform guidelines, and content management strategies in the design. Development of Android and iOS based model templates according to the existing MIS and GIS system for all the required reports of different components of OFSDP II.

1.4 Developer firms are invited to submit a Technical Proposal and a Financial Proposal for design, development, and installation of mobile (Android and iOS) based MIS and GIS application as per the existing MIS and GIS system at GIS centre OFSDP II . The Proposal will be the basis for contract negotiations and ultimately for a signed Contract with the selected developer.

2. Requirement & Scope of Work:

2.1 OFSDP II is looking for the following services:

- Design, Development and document and comprehensive mobile based (Android and iOS) GIS, MIS applications according to the existing web based GIS system at GIS centre of OFSDP II.
- Installation of the applications on designated server and provide technical assistance for the one year.
- Transfer of the data/website to the server of the OFSDP II, by the mobile app.

2.2 Considering international best practice, identify, describe and document the information needs and information flows associated with various developed module functions and processes.

2.3 Application Deployment:

- Native Android application with support from API level 18 and above.
- Native application using swift or xcode with support upto os X v12.1.

3 **Data Capturing:** Mobile would be required for application development and capturing field data. GNSS facilitated Personal Digital Assistant/Mobile phone is the major GIS data capturing device in the field. Native Android application/ IOS with support from corresponding API for the data input.

- a. Offline data storage with sqlite database for offline data entry.
- b. Offline compass based navigation, offline maps.
- c. Geo tagged pictures
- d. Customized map layers to view and collect data (like shp, geo pdf, geo jpeg, geo tiff)
- e. Sync and storage of master data from the IMS server of OFSDP-II.
- f. Data collection against predefined set of data in line with IMS modules of OFSDP-II.
- g. Dynamic form administration, creation and transpose the existing web based form available on IMS of OFSDP II.
- h. Integration of NMEA parser to improvement of data accuracy through customizes NMEA parsing logic.
- i. View, collect and edit live spatial and A spatial data in synchronization with servers on Geo tagged images.
- j. Building security in ICT setup as the application access would be through web.
- k. Assess the training requirements, training need, and provide training to all the users for handling & managing.
- l. Provide support to the mobile base solution for smooth operations and effective utilization

4. Application Development

4.1 Integrated OFSDP II Information Portal:

The basic purpose of using portal module is to provide a single window access to OFSDP II functionaries. The portal will include the entire Module of existing web/GIS server manual data upload and to transpose on the mobile (Android and iOS) platform. This will be done dynamically as defined in the form configuration in the IMS server.

4.2 Design technology.

In view of the above, a framework needs to develop for the OFSDP II with an objective to enable a single window access to information and services being provided by various functionaries of the project. Existing stakeholders will able to upload the information in the mobile application.

5. Period of contract

OFSDP II is willing to contract for module development (six to eight month) along with maintenance

solutions for a period of one year/ more if required after the development of modules is complete.

6. Terms of Payment

The schedule of payments is specified below:

For Module Development

- i. Mobilization advance of 25 percent of the contract value after signing of the agreement against equal amount of bank guarantee.
- ii. 50 percent payment on completion and deployment of working beta version application of both android and ios.
- iii. 25 percent payment three months after the completion and deployment of the application on its successful working.

Payment shall be made in Indian Rupees, no later than 30 days following submission by the Developer of invoices in triplicate and acceptance by OFSDP-II.
