

Proceeding of the meeting of the pre-Bid query of Mobile GIS Application System for OFSDP-II held in the committee Room of PMU, OFSDP at 11.30 AM on 16.07.2019.

Members Present

- | | |
|--|-----------------|
| 1. Dr. Meeta Biswal, IFS APD(IME) | Chairman |
| 2. Smt. P.Z. Mekro, IFS APD(A&F) | Member |
| 3. Sri Subrat Kar, SPM (CID) | Member |
| 4. Sri Narendra Sharma, M&E/ MIS Expert, PMC | Member |
| 5. Sri S.S. Mishra, OFS-I (SB) DPD (CME &S) | Member Convenor |

The meeting was conducted in presence of the participants (list enclosed at Annexure-I) for the pre-Bid queries of the Mobile GIS Application System for OFSDP-II. The clarifications to the queries of different organization are at Annexure-II.

The meeting ended with vote of thanks to the chair.

Addl. PD (IME)
Chairman

Addl. PD (A&F)
Member

SPM (CID)
Member

M&E/MIS Expert, PMC
Member

DPD (CME&S)
Member Convenor

Annex - I

Attendance Sheet of Pre-Bid Meeting of Mobile GIS Application System for OFSDP-II held on 16.07.2019 at 11.30 AM in Committee Room of PMU.

ANNEXURE-II

Clarification to the queries in the meeting of the Pre-Bid query of Mobile GIS Application System of OFSDP-II

1. Organization: SECON Private Limited, Bangalore

Sl. No.	Page No.	Tender Clause	Content of the RFP requiring clarification	Clarification Sought/Query	Clarification from OFSDP-II
1	12	Section: 2 11. Evaluation of Proposal:	Independent Verification of Achievements on Selected DLIs under OHEPEE, Higher Education Department, Government of Odisha	Under the documents to be submitted by the bidder, this clause is not understood by us. Is this a mandatory or optional requirement, to be submitted only if available? Request to kindly clarify.	Pl Ignore this
2	12	Technical Evaluation (2nd Stage):	Bid Evaluation Parameter Sl. No. 1 Experience of the bidder: Experience in Third Party * Mobile GIS/Geospatial Applications Development /MIS Development of projects under Central / State Government / EAPs / Autonomous Bodies / National & International organization with contract value of more than Rs 15 Lakh and duration of 2 months or more (Assignments undertaken during 1st January 2014 to 1st January 2019).	We understand that the following category of projects are considered as experience of the bidder for evaluation: (a) Third Party Mobile GIS Project (b) Geospatial Applications Development Project (c) MIS Development Project Kindly confirm. Request to also consider projects executed for PSUs as eligible projects.	This is regarding Experience of the bidder on Mobile GIS/Geospatial Applications Development /MIS Development of projects under Central / State Government / EAPs / Autonomous Bodies / National & International organization The Assignments contract value more than 15Lakhs and of 2 months or more duration shall be considered as relevant experience for evaluation As proposed by the bidders, the period of experience has been modified to 1 st April 2014 to 31 st March 2019
3	12	Section: 2 11. Evaluation of Proposal: • Technical Evaluation (2nd Stage):	2.1 Lead Researcher-cum-Team Leader (1) Scoring Methodology: For every 1 year of additional experience 2 marks will be given subject to a maximum of 12 marks. Maximum Marks 20	Request to specify the minimum experience, against which the additional experience criteria will be evaluated. OR Is it to be understood that the Team Leader who has more than 6 Years of overall relevant experience will get full 12 marks (6 Yrs x 2 Marks = 12 Marks). Also what is the qualification required for which 8 Marks are allotted. Usually Masters in Computer Science / Computer Applications is	The details of qualification and experience of the Lead Researcher cum Team leader shall be Qualification: B.Tech (CS/IT/ETC) /MCA Experience: Minimum 10 years in similar assignment Marks for Experience: 12 Marks Marks for Qualification: 8 Marks NB: Supporting documents for qualification and experience shall be attached along with the Technical Proposal

				relevant for this position requirement. Request to kindly clarify.	CV Proforma is attached at Tech B-7 for submission of CV of Team Leader												
4	12	Section: 2 11. Evaluation of Proposal: • Technical Evaluation (2nd Stage):	2.2 Key Team Members (3) Scoring Methodology: Three key team member's qualification and experience will be evaluated. 5 mark for each member Maximum Mark: 15	Request to specify the minimum desired qualification & experience for the Key Team members. OR Is it to be understood that the Team Leader who has more than 3 Years of overall relevant experience will get full 5 marks. Also what is the qualification required. Usually Graduate in Computer Science / Computer Applications is relevant for this position requirement. Request to kindly clarify.	The details of qualification and experience of the Team member shall be Qualification: diploma in Computer science/IT or Equivalent Experience: Minimum 5 years in similar assignment Marks for Experience: 3 Marks Marks for Qualification: 2 Marks NB: Supporting documents for qualification and experier shall be attached along with the Technical Proposal CV Proforma is attached at Tech B-7(A) for submission of CV of Team Member												
5	19	Section: 3 Terms of Reference (TOR) 1. Introduction: & 2. Requirement & Scope of Work:	1.2 ... A key element is the development of an Android based mobile data collection and analysis system in order to support the existing MIS system 1.3 ... Development of Android and iOS based model templates according to the existing MIS and GIS system for all the required reports of different components of OFSDP II. 1.4 Developer firms are invited to submit a Technical Proposal and a Financial Proposal for design, development, and installation of mobile (Android and iOS) based MIS and GIS application as per the existing MIS and GIS system at GIS centre OFSDP II . 2.1 OFSDP II is looking for the following services: • Design, Development and document and comprehensive mobile based (Android and iOS) GIS, MIS applications	Even though the key requirement specified in all listed clauses is development of mobile application as per the existing MIS/GIS system and for supporting the existing MIS/GIS system, there is no description provided of the Existing MIS/GIS system Request to provide the following details 1. Technical specifications of the existing MIS/GIS system including a. Platform b. Development platform & development language c. Software components/COTS products if any used like GIS components etc. d. Database used e. Licenses used, if any. 2. Modules, functionalities & Tools available in the existing system 3. Tools & modules required to be developed in the proposed mobile application These details are very essential for proper understanding of the work	<table><tr><td>Platform</td><td>Server – Xeon dual processor, 128 GB RAM, 32 TB HD. 			according to the existing web based GIS system at GIS centre of OFSDP II.	involved and arriving at correct estimates Please clarify	
6	19	Section: 3 Terms of Reference (TOR) 2. Requirement & Scope of Work:	• Transfer of the data/website to the server of the OFSDP II, by the mobile app.	We understand that development/ implementation of mobile application with functionalities, as desired, will also require some changes to be incorporated in the existing MIS/GIS Web system We understand that the same have to be done by the Bidder Please clarify/confirm	Yes
7	20	Section: 3 Terms of Reference (TOR) 3 Data Capturing:	e. Sync and storage of master data from the IMS server of OFSDP-II.	Request to provide further details on the IMS server specified here	Same as Clarification mentioned at SI No 5
8	20	Section: 3 Terms of Reference (TOR) 3 Data Capturing:	k. Assess the training requirements, training need, and provide training to all the users for handling & managing	We understand that training facilities like training room, systems etc. will be made available Please confirm. Request to specify approximate no. of officials to be trained	Once the Mobile Application is rolled out, the user shall be capacitated with hands on training for the master trainers for effective implementation of application. Only 2 to 3 training for 40 members in each batch are to be conducted Other facilities such as training room, audio visual facilities etc shall be provided by PMU
9	20	Section: 3 Terms of Reference (TOR) 4. Application Development	4.1 Integrated OFSDP II Information Portal: The basic purpose of using portal module is to provide a single window access to OFSDP II functionaries. The portal will include the entire Module of existing web/GIS server manual data upload and to transpose on the mobile (Android and iOS) platform. This will be done dynamically as defined in the form configuration in the IMS server.	Is the Integrated OFSDP II Information Portal essentially the redeveloped version of existing MIS/GIS system mentioned at various places in the RFP? Please clarify/confirm	No need to redevelop the existing MIS/GIS Web Application. The Mobile Application is to be developed based on the MIS/GIS Web Application
10				We understand that in addition to development of mobile application, redevelopment/implementation of the Integrated OFSDP II Information Portal is also in scope of Bidder work Please clarify/confirm	No need to redevelop the existing MIS/GIS Web Application. Only the Mobile Application is to be developed based on the MIS/GIS Web Application and to be integrated with the existing Web Portal
11				Will the new portal replace the existing MIS/GIS system? Please clarify/confirm	No
12				Please provide details of the existing MIS/GIS system	Same as Clarification mentioned at SI No 5

149

13	20	Section: 3 Terms of Reference (TOR)	4.2 Design technology Existing stakeholders will able to upload the information in the mobile application.	Request to provide details on the stakeholders of the system and also the approximate number of users of the system.	Approximately 500-600 users (field level project staff/officers are the key stake holders)
14	24	TECH A -2 Bidder's Organization (General Details)	3. Experience in development of mobile application in (a) Android (b) ios.:	Can in house development experience be also detailed here? Please clarify	This mean the Experience of the bidding organisation in development of Mobile application for Android and iOS
15	41	Annexure – I	4. EMD of Rs. 50,000/- in form of Demand Draft/Banker's Cheque	We understand that EMD is of Rs 25,000/ Kindly clarify	Yes: The EMD for the Assignment is Rs 25,000/-
16	-	-	-	Request to kindly consider and provide atleast two weeks time for bid submission from the date of issue of clarifications.	Can not be considered. The proposal to be submitted as per the bidder's datasheet of the tender document

2. Organisation: SATRA Infrastructure Management Services Private Limited, Secundarabad

17	12 of 42	Section 2, Clause 11 Technical Evaluation (2nd Stage)-Bid evaluation parameter Sl.No.1	Experience of the bidder: Experience in Third Party * Mobile GIS/Geospatial Applications Development /MIS Development of projects under Central / State Government / EAPs / Autonomous Bodies / National & International organization with contract value of more than Rs 15 Lakh and duration of 2 months or more (Assignments undertaken during 1st January 2014 to 1st January 2019).	As expectant number of projects under this clause are high, request to consider assignments undertaken between 1 January 2010 to 30 May 2019.	Same as Clarification mentioned at SI No 2
18	12 of 42	Section 2, Clause 11 Preliminary Evaluation	Independent Verification of Achievements on Selected DLIs under OHEPEE, Higher Education Department, Government of Odisha	Kindly elaborate this condition.	Same as Clarification mentioned at SI No 1
19	12 of 42	Clause 11 Technical Evaluation (2nd Stage)-Bid evaluation parameter Sl.No.2.1	Team Researcher-cum-Team Leader (1) - Scoring Methodology: For every 1 year of additional experience 2 marks will be given subject to a maximum of 12 marks.	Scoring methodology specifies marks for additional experience. Request to kindly elaborate basic criteria for fulfilling requirement for this Clause.	Same as Clarification mentioned at SI No3
20	Page 12 of 42	Section 2, Clause 11 Technical Evaluation	Key Team Members - Scoring Methodology: Three key team member's qualification and	Kindly specify minimum qualification and experience required.	Same as Clarification mentioned at SI No 4

		(2nd Stage)-Bid evaluation parameter Sl.No.2.2	experience will be evaluated. 5 mark for each member		
21	Page 21 of 42	Section 3, Clause 6 Terms of Payment Point (i)	Mobilization advance of 25 percent of the contract value after signing of the agreement against equal amount of bank guarantee	As per Section 1, Clause 14, 10% of the contract value is to be submitted as Performance Bank Guarantee. Hence request to wave-off the condition of submitting Bank Guarantee for obtaining mobilization advance.	Cannot be considered.
22	Page 19 of 42	Section 3, Clause 2 Requirement and Scope of Work Point 2.1	OFSDP II is looking for the following services: Design, Development and document and comprehensive mobile based (Android and iOS) GIS, MIS applications according to the existing web based GIS system at GIS centre of OFSDP II.	Kindly elaborate on existing web based GIS system at GIS centre of OFSDP II. •Where can we get the information (URL) about the existing web GIS application for OFSDP-II? •What is the Platform provided by OFSDP? Is it open source or proprietary? •We understand that OFSDP-II has ESRI GIS application installed on its server which is to be used as GIS server. Kindly provide details about the available software. •We understand Integrated OFSDP II Information Portal as ArcGIS portal setup. Please confirm.	Same as Clarification mentioned at SI No 5 Platform used is Open source Same as Clarification mentioned at SI No 5 -No
23	Page 20 of 42	Section 3, Clause 3 Data capturing	Data Capturing: Mobile would be required for application development and capturing field data. GNSS facilitated Personal Digital Assistant/Mobile phone is the major GIS data capturing device in the field. Native Android application/ IOS with support from corresponding API for the data input.	•Kindly provide details of input source data for capturing field data like total number of maps/ dwg/ scanned copies, type, scale & size. For proper estimation, kindly provide samples of each type of maps. •Whether OFSDP-II will provide all required maps or vendor has to procure / collect them from respective departments, please clarify. •We understand that required infrastructure will be supplied by client (like digital assistant/mobile phones).Please confirm.	This method is not applicable, the purpose of develop the mobile application to upload Data in form of Text, Pictures , GPS Readings etc and display the data on the android/ios Mobile application Yes
24	Page 20 of 42	Section 3, Clause 3 Data capturing Point (i)	View, collect and edit live spatial and A spatial data in synchronization with servers on Geo tagged images.	As we understood, geo-tagging of photos will increase the database size. We request that OFSDP to specify database to be used.	Postgress SQL 9.6
25	Page 20 of 42	Section 3, Clause 3 Data capturing Point (k)	Assess the training requirements, training need, and provide training to all the	Kindly elaborate on number of personnel to be trained. What will be the duration & Locations of training?	Same as Clarification mentioned at SI No 13

			users for handling & managing		The Training will be conducted for 1 day at PMU office, Bhubaneswar
26	Page 20 of 43	Section 3, Clause 4 Application Development Point 4.1	Integrated OFSDP II Information Portal: The basic purpose of using portal module is to provide a single window access to OFSDP II functionaries. The portal will include the entire Module of existing web/GIS server manual data upload and to transpose on the mobile (Android and iOS) platform. This will be done dynamically as defined in the form configuration in the IMS server.	As in iOS client needs to have enterprise account with Apple and they need to pay yearly to use these applications. Whereas, for android no subscription is required. Who will pay this enterprise account yearly charges to Apple (iOS)? Please clarify. As a single window how many OFSDP functionaries access the portal?	The subscription is to be borne by the bidder Same as Clarification mentioned at SI No 13
27		Section 5, Financial Proposal Submission Forms. FIN-2	Financial Proposal Form	The envisaged project includes 1 year maintenance period as per Section 3, Clause 5, Page 20 of 42. However, there is no provision in FIN2 to mention cost for maintenance period. Kindly clarify.	FIN2 form have been modified accordingly (Please furnish details as per the revised form)
28	Page 41 of 42	Annexure-1, Bid submission Check list, Sl. No. 4	EMD of Rs. 50,000/- in form of Demand Draft/Banker's Cheque	Earnest Money Deposit (EMD) for Rs. 25,000 is required as per RFP Section 1, Clause 6, Page 9 of 42. Kindly clarify the EMD amount as there is disparity about the amount mentioned in Annexure-1 and in main document.	Same as Clarification mentioned at SI No 15
29		General	Verification and acceptance procedure	Request to provide deliverables verification and acceptance procedure including defined timelines.	Please refer TECH-B6 for the needful
30		General	Bid submission date	Request to provide at least 15 working days' time for bid submission after publication of pre-bid clarifications	Same as Clarification mentioned at SI No 16
3. Organization: Zaptech Solutions Pvt. Ltd, Bhubaneswar					
31	19	Requirement & Scope of Work:	Design, Development and document and comprehensive mobile based (Android and iOS) GIS, MIS applications according to the existing web based GIS system at GIS centre of OFSDP II	Can you please provide us more details about existing web based GIS system at GIS centre of OFSDP II how it works? Please share URL and access credentials to understand more about the web app, if possible.	Same as Clarification mentioned at SI No 5 The bidder may visit the GIS Cell of OFSDS for better understanding

32	20	Application Deployment	iOS & Android Mobile App Deployment	We need to deploy iOS/ Android Mobile App on Apple or Google Play store to make it available for users to download & use, do you subscribe and provide an access to Apple or Google Play Store developer account? OR Do we need to do the same under name of OFSDP?	Yes, The subscription is to be borne by the bidder under the name of OFSDP-II
33	20	Integrated OFSDP II Information Portal	The basic purpose of using portal module is to provide a single window access to OFSDP II functionaries. The portal will include the entire Module of existing web/GIS server manual data upload and to transpose on the mobile (Android and iOS) platform.	Does this require web app based portal development where admin can add & manage existing web/GIS server manual data? Can you please more details about existing web/GIS server manual data operations how it works?	Yes, Same as Clarification mentioned at SI No 5. The bidder may also visit the GIS Cell of OFSDS for better understanding
34	20	Integrated OFSDP II Information Portal	Web App Deployment	As we would need to build web based portal and web services that connects mobile app with Server DB, we need to deploy it on Hosting Server. Do you subscribe and provide an access to CPanel hosting server? OR Do we need to do the same under name of OFSDP?	Yes, No

4. Organisation: Geo Infotech, Bhubaneswar

35	6		Eligibility Criteria: Consortium or Joint Venture is not allowed.	Please allow consortium to bid for the project in case the prime bidder meets the annual turnover criteria	Cannot be considered
36	6		Eligibility Criteria: The bidder should have more than 3 years of experience in the field of third party mobile GIS/ Geospatial Applications Development/ MIS Development as on 1 st Jan 2019.	Experience in the field of GIS Development work, WEB GIS Development work, GPS/ETS/DGPS Survey work should be included	As per the criteria indicated in the RFP. No changes are acceptable
37	7		The average annual turnover of more than Rs.50 lakhs during the past three financial years.	The annual turnover of the bidder minimum of Rs. 25Lakh.	Cannot be considered
38	7		EMD amount of RS.25,000/- and 50,000/- reflected in two places.(In the bid submission check list it is 50,000/-)	There is a contradiction between the above referred statements in the bid document. Please confirm the EMD amount.	Same as Clarification mentioned at SI No 15
39	7		Project contract value >=Rs.15 Lakh and duration of >= 2 months	Project Contract value should be >= Rs. 5 Lakh	Cannot be considered

40	8		Externally Aided Projects (EAP) funded through Ministry of Economic Affairs, Govt. of India by World Bank, DFID, JICA, ADB, KfW and European Commission etc.	Please clarify it.	Externally Aided project means that experience of similar assignment funded by Govt. of India, World Bank, DFID, JICA, ADB, KfW and European Commission etc.
Ex4 1	12		Bid Evaluation parameter: Scoring methodology according to project experience mark	Bidder Suggestion for minimum of 5 project= 40	Can not be considered.
42	12		Bid Evaluation parameter: Lead Researcher-cum-Team leader experience score	Please clarify about the scoring methodology	Same as Clarification mentioned at SI No 3
43	12		Independent Verification of Achievements on Selected DLIs under OHEPEE, Higher Education Department, Government of Odisha	Please clarify	Same as Clarification mentioned at SI No 1
5. Organization: SWASH Consulting, Bhubaneswar					
44			Do we have predefined API for access already hosted in the Data centre?		No
45			If not, will we be provisioning API codes per requirement for display of data and A-Sync?		Yes
46			If not we will need to host the API on cloud servers which will prorate SSL connectivity to the data centre, in effect of the same please resolve? i. The API hosting will be a part of the quotation? ii. The API maintenance, upgradation and change request will be part of the contract? iii. The data centre will host the VPN or pass through ssl certificates for encrypting the data or it will be procured by us?		Please refer the clarification mentioned at SI No 5 The API to be hosted in OFSDP-II Server. Yes, API hosting will be a part of the quotation. Yes, API maintenance, upgradation and change request will be part of the Contract. The bidder need to procure.
47			If yes then does the API hosted in the datacentre allow A-Sync methods which will allow offline syncing topologies of Cloud to work for data polling and offline access and posting		The API to be hosted in OFSDP-II Server.
48			For ensuring smooth transition, design, deployment and patch management for OFSDP II information Portal we recommend in our process		As per actual requirement and all the expenses are to be part of the contract value

			management through DEVOPS Azure which will enable us to work through stakeholders, developers, Product managers etc. and use a staging server for CI (Continuous Integration) and CD (Continuous Deployment) for test and UAT till Go- Live. Will the same be allowed be used for integration to ensure the delivery of the requirements with the highest of quality based procedure		
			Is the use of Native ScripVXamarin allowed in the application development environment as it allows quick and secure integration to the backend environment and also that the technology will allow CORS as well as Cross Platform single code use environment, making the Application environment more Agile and secured with the backend integration		Same as Clarification mentioned at SI No 48
49			We are proposing a Cloud based architecture and structure which will allow the platform integration of the different efficient load balanced resources of flow control, api management, SSO (Single Sign on) Etc. for allowing existing stakeholders and newer ones to interface on a single window in a secured and predefined manner without exposing the resources of OFSDP to any vulnerability. A. In the said context is it allowable in the project to use of Cloud platform for integration beyond Firebase B. Is the Proposal to include the hosting and management cost of the hosted environment of the platform		Same as Clarification mentioned at SI No 46 and 48

147

50			Will the Map Layers Data be provisioned in the written format by OFSDP, where we will need to integrate data overlapping layers and provide viewer or will we be required to create code for conversion of the said data in the mobility readability formats?		Yes, Map layers data will be provided by OFSDP –II and if required code to be created for conversion of data in the mobility readability formats
6. Organization: Luminous Infoways Pvt. Ltd,Bhubaneswar					
51	6	Pre-Qualification /Eligibility Criteria:	2. The bidder should have more than 03 years of experience in the field of Third Party Mobile GIS/Geospatial Applications Development/MIS Development as on 1st January, 2019. The bidder should have experience of carrying out minimum of 5Third Party Mobile GIS/Geospatial Applications Development /MIS Development of projects under Central / State Government / EAPs / Autonomous Bodies / National & International organization* each with contract value of ≥ Rs. 15 Lakh and duration of ≥ 2 months.	We request OFSDP please consider our below request. . The bidder should have more than 03 years of experience in the field of Third Party Mobile GIS/Geospatial Applications Development/MIS Development as on 1st January, 2019. The bidder should have experience of carrying out minimum of 5Third Party Mobile GIS/Geospatial Applications Development /MIS Development of projects under Central / State Government / EAPs / Autonomous Bodies / National & International organization* each with contract value of ≥ Rs. 10 Lakh and duration of ≥ 2 months. And if we are submitting only work order copies then is it OK to qualify for this clause or not	Same as Clarification mentioned at SI No 2 Reduction of contract value and duration can not be considered Work completion Certificate to be submitted
52	41	Bid Submission Check List-Annexure – I	CV of Key Professionals (TECH B-6)	Can we submit the CV as per our format because TECH B-6 form is basically asking to submit Work Schedule for the Proposed Assignment. Please clarify	No, It is to be submitted TECH B7 and TECH 7 (A) only
53	12	Technical Evaluation (2nd Stage):	Experience of the bidder: Experience in Third Party * Mobile GIS/Geospatial Applications Development /MIS Development of projects under Central / State Government / EAPs / Autonomous Bodies / National & International organization with contract value of more than Rs 15 Lakh and duration of 2 months or more (Assignments undertaken during 1stJanuary 2014 to 1stJanuary 2019). 5 projects = 20 Marks 6 projects = 24 marks 7 projects = 28 marks	We request OFSDC please amend this clause. Please amend the clause as per given below “ . Experience of the bidder: Experience in Third Party * Mobile GIS/Geospatial Applications Development /MIS Development of projects under Central / State Government / EAPs / Autonomous Bodies / National & International organization with contract value of more than Rs 10 Lakh and duration of 2 months or more (Assignments undertaken during 1stJanuary 2014 to 1stJanuary 2019)”. 5 projects = 25 marks 6 projects = 30 Marks	Cannot be considered

			8 projects = 32 marks 9 projects = 36 marks 10 & above = 40 marks		
54	12	General	Technical Evaluation	In eligibility criteria Turnover criteria given but in technical evaluation no marks has been assigned for this Turnover criteria	Please read as per RFP
55	12	General	Technical Evaluation	We request OFSDC to please consider bidder's who has some credentials like ISO, CMMI level and also assign some marks for the same.	Please refer RFP
7. Organization: SPARC Pvt. Ltd, Bhubaneswar					
56		Form TECH A4	Bidder's Past Experience Details	Project Achievements and awards are considered in financial year basis. So request to change the mentioned clause from calendar year to Financial Year	As proposed by the bidders, the period of experience has been modified to 1 st April 2014 to 31 st March 2019

Annexure – I**Bid Submission Check List**
(Revised)

Sl. No	Description	Submitted Yes/No	Page No.
Technical Proposal			
(Part – A) (Original)			
1	Filled in Bid Submission Check List (Annexure-I)		
2	Covering Letter (TECH A-1)		
3	Bid Processing Fee of Rs. 5,000/- in form of Demand Draft/Banker's Cheque		
4	EMD of Rs. 25,000/- in form of Demand Draft/Banker's Cheque		
5	Copy of Certificate of Incorporation / Registration of the Bidder		
6	Copy of PAN		
7	Copy of Goods and Services Tax Identification Number (GSTIN)		
8	Copies of IT Returns for the last three financial years (2015-16, 2016-17 & 2017-18)		
9	General Details of the Bidder (TECH A-2)		
10	Financial details of the bidder (TECH A-3) along with all the supportive documents such as copies of Profit & Loss Account and Balance Sheet along with all schedules and IT return for the concerned period		
11	List of completed or ongoing assignments of development of mobile application (TECH A-4) along with the copies of work orders for the respective assignments		
12	Self-Declaration on Potential Conflict of Interest (TECH A-5)
